

# Welcome to Loquate

R010-ea-7 hours

Loquate's vigor is unity for all -- in, through and by Natural Law -- not religious teaching.

Loquate's **Smart®** process offers **Scientific Momentum Activating Righteous Transformation** through Natural Law. The science states innate needs are satisfied by primary values. The innate needs of human kind may be the greatest discovery in Natural Law in this century. Like sailors eating limes to prevent scurvy, Smart® habits overcome the scurvy of the human spirit which is diminished motivation and well-being. Interfaith Smart® group members build community in every group of which they are a part, and individually tend toward peace, happiness, and joy.

Loquate is comprehensive in this sense. It integrates religious beliefs about Spirit-centered community in unity for all mankind as Biblically or Scripturally possible, nothing more.

**By Spirit, we mean a caring presence that exists outside of ourself. The words "That which you value the most for the common good," Spirit, and God are used interchangeably in our resources.**

*"Family isn't always blood, it's the people in your life who want you in theirs: the ones who accept you for who you are, the ones who would do anything to see you smile and who love you no matter what."*

*Maya Angelou. Oct 13, 2014*

## You remember how a person makes you feel.

In 1977 Jeff Liautaud founder of Loquate discovered primary values. If one or more of the primary values is present in an experience, and the experience does not go against any of the other primary values, you will feel good. If the experience goes against one or more of the primary values, you will feel bad, even if other primary values are present. Primary values converge in Smart® Ambassadors of Community who "would do anything to make you smile."

## They are the ones who empower you to satisfy your innate needs.

In 2017, 14,168 Academic Research articles [cited](#) Deci and Ryan. That number has exploded to over half a million research articles in 5 years.

Their science states: Innate needs when satisfied yield enhanced self-motivation and mental health and when thwarted lead to diminished motivation and well-being.

**Ryan finds "Remarkable Convergence"** with Loquate's primary values and innate needs.

## The innate needs of every human person are:

The innate need of *Relatedness* is satisfied by the primary value of - **Doing that which is truly in the best interests of others.**

The innate need of *Competence* is satisfied by the primary value of - **Attaining goals or other ends, not necessarily preconceived as goals, but which become goals once experienced.**

The innate need of *Autonomy* is satisfied by the primary value of - **Operating in an area of meaningful expansion for yourself, that is your interiorly preferred work.**

## Those ones are called Smart® Ambassadors of Community.

Smart® groups satisfy innate needs through experiential learning resulting in an ambassador certificate of community at three levels beginner, intermediate and expert. Certification occurs as a Smart® Ambassador of Community. Like sailors eating limes to prevent scurvy, each Smart® group

overcomes the scurvy of the human spirit which is diminished motivation and well-being. They become family. And by their example they become family to people around the world by changing only themselves and no one else. Their outreach as Smart® Ambassadors of Community is to satisfy their innate needs and empower others to satisfy their innate needs. Their Smart® group example of interfaith dialogue, not religious beliefs, leads to a proliferation of authentic Spirit-centered community. Doing so leads to peace, happiness and joy for the ambassador and increased community in every small group of which the ambassador is a part.

## **Smart® Ambassadors want you to satisfy your innate needs and empower you to do so. They bring “unity to all.”**

### **Two Prongs**

Loquate’s **Smart®** process offers **Scientific Momentum Activating Righteous Transformation**. There are two prongs: for organizations and groups of people, or for individuals. We help businesses build community...

Our Turnkey begins in your organization, by incentivizing participation as a Smart® Ambassador of Community. Increased Community Benefits are: less turnover, higher engagement and connection (which leads to higher profitability according to Gallup polls), and a greater draw of the outside world to the corporation’s offerings.

**Solution-Using Loquate’s Turnkey for businesses through Smart® Ambassadors of Community.**

Smart® group feedback scores confirm a high degree of satisfaction when fulfilling innate needs becomes the norm. The Corporation becomes a best place to work. The community becomes a best place to live.

Participation is open to all employees and is 100% voluntary on their own time. Any community where you have freedom to live your deepest beliefs in harmony with all, is a best place to live/work. Loquate is supported by its sponsors and free to everyone else.

*There are 3 Degrees of mentored certification as a Smart® Ambassador of Community: Beginner – 27 hours, Intermediate – 54 hours, and Advanced – 81 hours. All coursework and mentor peer validated degrees are free after your initial \$200 donation for three 2 hour facilitation training sessions by zoom.*

Trained facilitators make this possible. Each Smart® group member in turn is facilitator. Participating organizations and communities may reimburse all or a portion of your \$200 donation.

*The greater the sponsor’s sense of community, the greater the outreach of its brand in wellbeing.*

### **The Individual Prong**

The individual prong focuses on the individual’s relationship within their neighboring community. The relationship between the two prongs is symbiotic. Both prongs come together by using Smart® Ambassadors of Community to satisfy the individual’s innate needs and to bring community, empowering others to satisfy their innate needs. Interfaith Smart® group members build wellbeing in their life and in every small group of which they are a part, and individually tend toward peace, happiness and joy. Both prongs do this.

*“Sharing our stories, building our community.”*

## Have you ever wondered:

***Am I satisfying my innate needs?***

In our resources we use interchangeably the words “That which you value the most for the common good,” Spirit, and God.

Satisfy innate needs. Take Smart® Steps to Wellbeing through Community. Using our Smart® process, we grow thru our interiorly preferred work. By prayer, encouragement and community learn how you can use your faith to influence your work – and to overcome the challenges and obstacles that we all face in our jobs. Not with advice, but with helpful relevant resolution stories. In discovering your interiorly preferred work, your life will become more fulfilled so, in return, you can humbly and gratefully offer it as a gift back to the Spirit. Resulting in a deep faith to ask the Spirit to bless you with more of that work. Fulfilling a Natural Law of love, you will bring peace to the world.

### Enroll

Richard M. Ryan co-discover of innate needs cited by over half a million Academic Research articles sees “Remarkable convergence” of primary values and innate need satisfaction. The Catholic Church, in the duty of the Church as “an expert in humanity,”

officially recommends Loquate’s Smart® process “Where Work Meets Faith.” The two affirmations combined represent expert status conferred on Loquate for both wellbeing and community.

The two are inextricably linked. The scientific tests, that use feedback to measure degree of wellbeing and community, confirm this correlation.

### **Proven Successful!**

In one Smart® group, feedback scores over a 4 year period averaged 96% (A+). Challenges are overcome thru shared experience. Participation is voluntary and open to all.

### **The Smart® group is a sign - a sign of love:**

Have you ever noticed in our chaotic manmade world comes order, precisely at the moment needed most?

Where does this order come from? What we may call this sign does not matter as much as the irrefutable fact that the sign exists. Let us simply acknowledge it as “not from ourselves.” It is intelligent. It does exist outside of ourselves. Let us call it God, or Spirit, or That which you value the most for the common good. Let us use the words interchangeably. Because when we pray or meditate, we seek it. Chaos ends. Order resumes. Life has changed and we are astounded. That is Spirit.

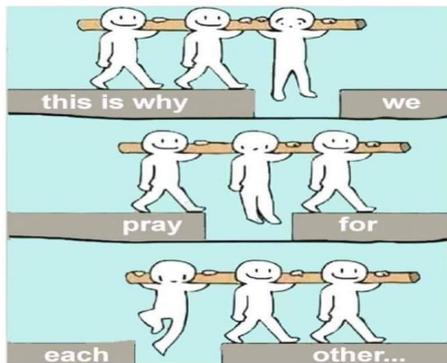

Loquate’s vigor and vitality is from the Spirit, a caring presence outside of ourselves. Only the Spirit has the power that brings Miracles First Hand. By seeing the Spirit in each person, the Spirit’s vigor grows. By sharing our interfaith witness stories belief in the Spirit grows.

Loquate takes people where they are and, like a natural food, refreshes oneself, and refreshes all mankind.

### **The small group follows this Smart® protocol:**

- Share relevant resolution stories, not advice,
- Self-change, and no one else
- Satisfy innate needs, not ordinary conversation.

- Saying prayers for each other, that is caring for each other.

### All are welcome!

There is no law against praying for each other. The First Amendment to the United States Constitution prohibits the making of any law respecting an establishment of religion, impeding the free exercise of religion, abridging the freedom of speech. Even the \$1 bill contains the inscription “In God We trust.”

Today principles of Interfaith Dialogue are the instrumental means for “unity for all.” If any deny “unity for all,” they deny their self. Interfaith Dialogue in the Smart® group upholds atheists, agnostics, and all religions. No proselytizing in the Smart® group shocks me into listening well.

Having faith in each member...in their good common sense ability to come to God as they see God...preserves dignity “in unity for all.”

### Seeing hope in others’ identity experience stories is a catalyst.

An identity experience is defined as a single experience elevated in the mind of the Smart® group member as typical of what it means to be a member of your organization or community. The success outcome is leveraged to all. Identity Experience Evaluation occurs annually for Smart® group members. A melding of the values of the corporation or individual in an Identity Experience of the member that satisfies innate needs is hope for all.

**Incredible Value.** A few can affect many. Freedom to live one’s deepest beliefs in harmony with all is an incredible value.

The greater the sense of community, the greater the member’s perception of well-being.

Loquate makes each Smart® group autonomous with its own defining outreach to make the world a better place to live.
