Milan (Italy); May 4, 1991  
First Saturday  
The Times of Your Witness

a "With this first Saturday of the month of May, you begin the period of time which is set aside for my special veneration. In this month of May, I want you to be more completely united with me, so that I may cause you to grow in your life of consecration, to the point of full maturity. The times of your maturity have come.

b These are the times of your witness.

c Give to all the witness of being consecrated to me. Your life must be illumined by my motherly presence, and you must spread about you the charism of my holiness, of my purity, of my mercy, of my charity, of my tenderness. Whoever sees you must see the power of my light; whoever meets you must find the sweet balm of my mercy. Give my help to those who are far away, to the poor, to the sick, to the sinners, to the despairing. Come with me, your motherly shepherdess, in the search of the many little sheep who have lost their way and are running the danger of dying of hunger and of cold.

d Give to all the witness of walking with me along the road of faith. In these times, errors are spreading in a way which is so vast and profound that it is not possible for you to so much as imagine it. Many are losing the faith, and apostasy is expanding more and more within the Church, like a terrible cancer which has spread through all its members. You are being called to follow me along the road of heroic and pure faith. I am making you the gift of preserving you in the integrity of the faith, so that you can illumine my children in these times of great darkness. For this reason, I ask you to be strongly united with the Pope who has, from Jesus, the great task of confirming all in the truth of the Catholic faith.

e Give to all the witness of walking with me along the road of prayer. Prayer is the strength of the Church; prayer is necessary for your salvation. Prayer, made together with me, can obtain for you the gift of the second Pentecost. Only with prayer can you enter into the new era which awaits you. So then I invite you to call everyone to prayer. Multiply the cenacles of prayer which I have asked of you. I want you priests to be the first to give the example of taking part in these cenacles. And then, I ask that, in these decisive times, cenacles be spread among the children, among the youth and in the families. The time has come when all the Church must gather together with me in prayer, in the spiritual cenacle of my Immaculate Heart.

f Give to all the witness of walking with me along the road of holiness. My Immaculate Heart must be honored and glorified by the Church and by all humanity. For this reason, I want to bring you to a great holiness. Thus, by means of you, little children consecrated to me, the whole Church can become illumined and transformed by the very holiness of your heavenly Mother. I am taking you along the road of perfect imitation of Jesus, of littleness and of humility, of disdain for the world and for your own selves, of the heroic exercise of all the virtues, and of a great love for the Most Holy Eucharist.

g You are now in the decisive times, which are bringing you to the new era. You are in my times. In these days of great darkness, your light will shine forth with greater and greater strength, to the point of surrounding with its rays and illuminating souls, the Church, and all humanity."

581 - A Great Sign 10/18/96 page 923 To The Priests Our Beloved Sons

a "With great joy I gaze upon you, priests of my Marian Movement of Priests of Japan, who have come here to live with me these days, in a continuous cenacle of prayer and brotherhood. You are bringing your cenacle to an end today, on which you are observing the anniversary of my last apparition which took place at Fatima and which was confirmed by the miracle of the sun.

b There appeared in the sky a great sign: signum magnum.

c I am the great sign which appeared in the sky: I am the Woman clothed with the Sun, with the moon beneath my feet, and with a crown of twelve stars upon my head.

d - A great sign in the terrible struggle against all the forces of evil, which have joined together against God and against his Christ. And so, close to the great sign of the Woman Clothed with the Sun, there appears also that of the Red Dragon, of the ancient serpent, of Satan, who is now manifesting himself in all his extraordinary power. It appears that the great Dragon has won his victory, because he has led humanity to build a civilization without God; he has spread everywhere the cult of money and pleasure; he has seduced minds with pride and with errors; he has violated souls with sin and evil; he has hardened hearts with egoism and hatred; he has corrupted all the nations of the earth with the cup of lust and impurity. Satan has succeeded in bringing his wicked kingdom upon the entire world.

e But in the furious struggle of these last times, this struggle between heaven and earth, between the heavenly spirits and the demons, between the Woman and the Dragon, I appear as a great sign of my greatest victory.

f - A great sign of the victory of God over every form of atheism, theoretical and practical, of good over every form of evil and sin, of love over every form of violence and hatred, of truth over every form of error and falsehood.

g For this great victory, I have formed for myself the cohort of all my little children who, from every part of the world, have responded to me with a yes. With my Marian Movement of Priests, I have brought my invitation to the farthest confines of the earth, and I have formed for myself my victorious army.

h Even in this great country, almost completely pagan, my little children have responded to me with joy and great generosity. My motherly Heart trembles with love and tenderness for them. I open up for them, also, the way of salvation, and with the triumph of my Immaculate Heart, they will enter into the one sheepfold of which my Son Jesus is the Good Shepherd.

i - A great sign of light in these times of dense darkness. For this, I invite you to walk along the road of prayer and penance, of confidence and of your very great abandonment. Once again, I have sent you this little son of mine, to bring you the gift of my motherly tenderness. By means of him, I offer to your Church and to your fatherland a sure sign of my assistance and of my motherly protection.

j With those dear to you, with those entrusted to your ministry. I bless you in the name of the Father, and of the Son, and of the Holy Spirit."

511 - The Gift of My Trust 2/2/94 page 800 To The Priests Our Beloved Sons

The Gift of My Trust

a "Beloved children, let yourselves be carried in my motherly arms into the temple of the Lord, to be offered by me to the perfect glory of the Most Holy Trinity.

b For this I am gathering you from every part of the world. For

this I ask you to consecrate yourselves to my Immaculate Heart. For this I am leading you each day along the road pointed out by me, and I am forming you, for many years now, with the gift of my motherly word.

c In you, the Father must be glorified in the perfect fulfillment of his divine Will. In you, the Son wants to be relived in such a way that you become the instruments of his divine mercy. In you, the Holy Spirit is at work, with the force of his love, in order to make you capable of transforming hearts and souls.

d Thus, in these last times, you must become light to whomever is walking in darkness, life to whomever is under the yoke of sin and death, love to whomever is consumed by violence and hatred, comfort to whomever is overwhelmed by suffering, balm upon the wounds of the poor and the sick, strength for the weakness of the little and the oppressed.

e In this way you are able to communicate to all the gift of my trust.

f - Be the gift of my trust for the Church, today so suffering and divided, crushed and oppressed, a Church which is climbing the Calvary of its painful passion.

g Never as in these times of yours has the Church had such need of experiencing all the tenderness and merciful compassion of its heavenly Mother. I want to exercise through you my motherly duty toward the Church. Love the Church with the beating of my Immaculate Heart. Wipe away its sweat; heal its wounds; soothe its pain; share in its suffering; help it to carry its heavy cross toward the Calvary of its immolation.

h "Stay close to the Pope and to your bishops, with prayer and

with your filial love. Support your brother-priests. Above all, run to meet the weakest, the most fragile, those who are yielding under the weight of the great difficulties of these last times. You must be the gentle and merciful hand of your heavenly Mother who bends over to place balm on the wounds of the sinners, of those who are estranged, of the poor, of those who are marginalized, of the oppressed, and of the abandoned. In this way, you yourselves become the gift of my trust for the Church of these, your times.

i - Be the gift of my trust for all this poor humanity. Help it to

return to God along the road of prayer and penance. The pathway of conversion is the only way along which it must journey in order to attain salvation and peace.

j But now you are entering into the decisive times, times for which I have been preparing you for many years. How many will be swept away by the terrible hurricane which has already hurled itself upon humanity. This is the time of the great trial; this is my time, O children consecrated to my Immaculate Heart.

**k I want to manifest myself by means of you and to give to all the gift of my trust, above all when the days of the great desolation and of a general despair will have come.**

12/27/17 563 564

**I For this reason, I ask you to let yourselves be carried in my motherly arms into the temple of the glory of the Lord, in order that you may become for all a light of hope, by spreading every- where the gift of my trust in these, your final times."**
