

There are two economies and in one Miracles abound.

R048-ah

The old which Corona Virus causes to die, and the new which thrives in spite of Corona Virus. Take Zoom for example. Zoom is a video conferencing service. In virtual meetings using Zoom, people sheltered at home can video conference easily.

Like Zoom, Loquate's Work Meets Faith small groups thrive in the new economy. A newly mobile labor force is choosing to live—and work—in smaller cities. Video conferencing lets us have more time at home and still meet. Time separated us from God. Family behavior comes to the fore. Work Meets Faith small groups change family behavior by changing myself and no one else.

Unlike an ordinary self-help group, Loquate builds God centered faith communities thru shared experience from diversity. We never get into beliefs. We rely on God to evangelize thru miracles we share. Only God provides miracles. Since God is nothing but good, miracles build the common good.

Miracles abound today in “Miracles, First Hand” thru live video conferencing like Zoom.

Won't you email Jeff@loquate.tv? It beats watching television...because the new economy is God's time!

Are you stuck in the old economy or open to the new economy?

The migration is occurring. The migration is witnessing to Miracles, First Hand. Bring forth God's bountiful abundance upon this earth thru small groups, self emptying but interconnected in the Spirit. Loquate Interfaith small groups bring peace on earth thru community in unity for all mankind.

Loquate small groups provide the online rooms for “Miracles, Frist Hand.” All of Loquate's work is free to all. Loquate was built as a public charity supported by private donations so as to permit God centered sense of community to roll forth like mighty thunder thru personal witness without boundaries of distance or time. Loquate is open to all.

Loquate's protocol follows principles of Interfaith Dialogue sharing experience leading to God's wisdom. In our small group we accept people where they are. We share relevant resolution stories, not beliefs. God's wisdom in miracles teaches perfectly. The miracle alone is from God. Holy nothingness lets us speak God's miracle. In the presence of God we become humble. It is a gift that God gives us that we might know we are not alone.

In Latin Loquate means “Speak!”

Apologetics

That Loquate is a recognized authority on community thru its small groups in two prongs. One prong is within corporations making them institutions of peace and unity while building community. The other prong is an individual lay movement in towns and villages desiring unity in community. Both work together. They close the gap of disunity through perfect harmony in shared Miracles, First Hand.

That [Natural Law](#) is secular man's path ultimately to God. And Loquate primary values are recognized for “Amazing Convergence” with innate need satisfaction.

That our respective Houses of Worship are needed more than ever to go into deeper devotion.

Loquate (6436 N Oketo Ave, Chicago, IL 60631, United States jeff@loquate.tv 773-621-0863).

Loquate's vigor is unity for all -- in, through and by Natural Law -- not religious teaching.

Loquate's small group program offers Scientific Momentum Activating Righteous Transformation through Natural Law. Smart® habits satisfy innate needs. Like sailors eating limes to prevent scurvy, Smart® habits overcome scurvy of the human spirit which is diminished motivation and well-being. Interfaith small group members tend toward happiness or joy and increased sense of community in every group of which they are a part.

Loquate is comprehensive in this sense. It integrates religious beliefs about community in unity for all mankind as Biblically or Scripturally possible, nothing more.
