Primary values discovered by Loquate promote well being through community.

Our Smart® Ambassadors of community tend toward happiness or joy for themselves and build community in every group of which they are a part. As a volunteer percentage of time per year takes a total of 5/10ths of 1% (0.5%), leaving 99.5% of their time to implement building community in the 4 pillars of happiness which are family, friends, work, and faith.

Smart® group members meet virtually or in person two hours nine times a year (18 hours). In addition, each shares a rotating role as facilitator per year on average adding 9 hours rotating every 7 years or 7/9 hours, say 1 hour, for a total per year of 19 hours (18+1=19).

Since there are 8760 hours per year (24 hours per day x 365 days per year), as a percentage of your time per year that takes the 0.5% (19/3760=0.5%).

Included in the total 0.5% are 3 Degrees of certification as a Smart® Ambassador of community: 1st - 81 hours, 2nd -54 hours, and 3rd - 27 hours and is free.

We do this by volunteering to be mentored and to mentor in our strengths, gifts, and charisms made manifest to us in our Smart® small group of 6-8 members.

The Loquate Smart® process is inclusive. So inclusive, all participants of all or no faith may benefit. The Loquate X factor is “Freedom to live your deepest beliefs in harmony with all.” Only Loquate does this, making where you work a best place to work, and where you live a best place to live. All are invited.
