

## Loquate's Vigor

R078-aj

Loquate's vigor is unity for all -- in, through and by Natural Law -- not religious teaching.

Loquate's small group program offers **Scientific Momentum Activating Righteous Transformation** through Natural Law. The science states innate needs are satisfied by primary values. The innate needs of human kind may be the greatest discovery in Natural Law ever. Like sailors eating limes to prevent scurvy, **Smart®** habits overcome the scurvy of the human spirit which is diminished motivation and well-being. Interfaith small group members build community in every group of which they are a part, and individually tend toward happiness or joy.

Loquate is comprehensive in this sense. It integrates religious beliefs about Spirit-centered community in unity for all mankind as Biblically or Scripturally possible, nothing more.

### Welcome to Loquate!

**Loquate** builds an interdependence that is based on the Spirit. The Spirit is a caring presence outside of ourselves that can be invited to reside within ourselves. Loquate is a charitable center for peace. Its core competence is community building through God centered small groups. We learn **Smart®** habits through shared experience of handling some God concern at work. Everyone works in some sense of the word. Loquate's vigor is from God, seeing God in each person. Our respective Houses of Worship are needed more than ever for righteous nourishment of our soul.

### Unity Comes Before Community

Innate needs when thwarted lead to diminished motivation and well-being. **Smart®** habits cannot be thwarted. It does not take long to realize that total dependence on God is needed. Members make a deeper commitment to one another, to trust one another. A small group protocol that permits

safe risking is part of Loquate's small group program.

### Loquate's small group program follows this **Smart®** protocol:

- self change, not changing another,
- relevant resolution story telling, not advice,
- satisfy innate psychological needs, put into us by our Creator, not ordinary conversation.
- Prayer for each other.

### Loquate's small group program is a sign, a sign of love:

Have you ever noticed in a chaotic manmade world comes order, precisely at a moment needed most?

Where does this order come from? Not so much a sign that you and I agree to call this or that as much as the irrefutable fact that the sign comes. And when it does come, acknowledge it as "not from ourselves." It is intelligent. It does exist. Let us call Spirit-centered community God, or Spirit, or That which you value the most for the common good. Let us use the words interchangeably. Because when we pray or meditate, we seek it. Chaos ends. Order resumes. Life has changed and we are astounded. That is the power of Spirit-centered community.

### Loquate's small group program during meetings follows:

#### Principles of Interfaith Dialogue

- Interfaith dialogue is first and foremost an attitude that is acquired as the result of listening to various points of view and ultimately forming one's own view of other religions. An attitude could be defined as a manner
