

# The Loquate X Factor

R084-am- 2 hours

Like solving an equation, knowing what to solve for is key. The Loquate X factor is freedom to live your deepest beliefs in harmony with all. Smart® Habits satisfy innate needs. But you cannot live Smart® habits until you surrender to your higher power, or God. So the price is surrender to God.

The X solution shows the way out of concerns

**If I want**

*Freedom to live*

**my**

*your deepest beliefs*

**I must be**

*in harmony with all.*

The vision of Loquate's small group program is community for all. Until the member knows the vision, the member cannot drive the process.

A place where you have freedom to work/live your deepest beliefs in harmony with all, is a best place to live/work.

A few can affect many. You become the yeast. The bread of community rises. Loquate's vigor and vitality is from the Spirit. By seeing the Spirit in each person, the Spirit's vigor grows. Only the Spirit gives miracles. Nourishment from each individual's House of Worship is needed more than ever.

### [Welcome to Loquate!](#)

Loquate's vigor is unity for all -- in, through and by Natural Law -- not religious teaching. Its Smart® group program offers Scientific Momentum Activating Righteous Transformation through Natural Law. Like sailors eating limes to prevent scurvy, Smart® habits overcome scurvy of the human spirit which is diminished motivation and well-being. Interfaith small group members tend toward happiness or joy and increased sense of community in every group of which they are a part. Loquate is comprehensive in this sense. It integrates religious beliefs about community in unity for all mankind as Biblically or Scripturally possible, nothing more.
