Download free Zoom app

Zoom works across devices, including mobile and computer. The key for both devices is this. Use one user name email address and one password on both devices.

1. Before you get started with Zoom, you need to make sure you have a webcam.
2. Zoom works across devices, including mobile and computer. The key for both devices is this. Use one user name email address and one password on both devices.
  1. Caution: to avoid confusion at your end, do not set up 2 user names and 2 passwords.
3. Get the free version to start. It's great to have it for many uses. It's the sign of the times. It is very convenient to use at home, instead of traveling to meetings.

## How to download Zoom on your PC

1. Open your computer's internet browser and click
  1. <https://Zoom.us>
  2. Click orange button on the right that says: "SIGN UP, IT'S FREE."
2. Scroll down to the bottom of the page and click "Download" in the web page's footer.
3. On the Download Center page, click "Download" under the "Zoom Client for Meetings" section.
4. The Zoom app will then begin downloading. You should then click on the .exe file to begin the installation process.
5. Once installed, you will need to log into your Zoom pc account:
  1. Enter email as user name and password
  2. Write down user name and password for later use on mobile account.
  3. Otherwise you will have 2 accounts. Not good.

## How to download Zoom on your mobile device

6. On mobile, get the free Zoom app available in Apple's App Store for iOS or Google Play for Android devices.
  1. Enter exact same user name email address and password as on PC
7. Once you have the Zoom app downloaded to both PC and Mobile, you can use either device to input the Meeting ID (**from the Work Meets Faith small group email sent to you each month**) supplied by the host to join.
  1. A meeting ID looks like this <https://us04web.zoom.us/j/423283996> (Once on Zoom, choose "join with video," then choose "call using internet audio.") Poor internet signal? You can always join us by phone at 312-626-6709 password 423293996.
8. To test,
9. call your facilitator **from the Work Meets Faith small group email sent to you each month** or jeff at 773-621-0863
10. Click the zoom link **from the Work Meets Faith small group email sent to you each month**.
11. You can see and talk to each other = success.
12. Try this first from your computer, then run a second test from your phone.
13. Once you have succeeded **from the Work Meets Faith small group email sent to you each month**, you can use either device on the run.
14. Our **Work Meets Faith small group** permits freedom to live your deepest beliefs in harmony with all.
