**We need small groups to carry on the work.**

Historically, our nation, founded by people seeking religious freedom, has looked to Almighty God for strength and guidance. It is in this spirit that the tradition of our Prayer Breakfast is conducted.

Sponsored by a voluntary committee of lay persons who have informally joined together to plan the occasion, the breakfast brings together all in the community, who not only seek a closer relationship to the Almighty, but also are looking for ways to make that relationship more real in their lives, resulting in a spiritual rejuvenation that ultimately touches the lives of those with whom they come in contact.
