

## **If one desires to be with God, God will never fail them.**

R141-ai-3 hours

There is a dominance of domains in a hierarchy. First is what the individual wants. We call this free will. Second is what God wants. Third is what Satan, or the evil spirit wants. To uncover the disguise of Satan is to discern.

### **Discernment**

Discernment to be with God is no problem for one who is holy. Being pure of heart is open to all mankind. To know, love and serve God is to be pure of heart. It is impossible for oneself to judge this matter. That is where discernment comes in.

Every attack by Satan includes an attack on God. Satan is the master of lies planting subtle underlying thoughts that God just about does not have it right.

The root of the word devil in Greek means to “thrust through.” For example a subtle first step might be forming two camps to separate a group, for example into left and right. If I am left, Satan tempts me that the right does not have it correct. If I am right, Satan tempts me that the left does not have it correct. Satan wants to thrust though us to divide us from each other. Then separate us completely. So that we might divide from God. For a child of God is within every heart.

Satan’s main tools are hatred and self-will. Satan’s path is to build our ego. Take the matter into your own hands. God does not have it right. Enter a false path called the jaws of human intervention. Leave the group. Divide from God.

But Satan cannot force us to leave another or to leave God. Satan is wrapped in chains by God for us to decide from experience. God permits us to be sovereign over our own free will. To become a child of God requires littleness. Our ego must diminish. Speaking the truth and staying with another is open to everyone. This gift of the Holy Spirit is open to all mankind.

### **How to Get the Gift.**

Being pure of heart comes thru prayer. The primacy of prayer is essential. Being in the life of the Holy Spirit is a choice.

Back to the discernment problem at hand, I can never know when, where, or how, God’s will shall turn up for me.

### **We Were Born in God's Likeness.**

God is nothing but good. I decide every matter on the basis of all the good that is right there in front of me, not some ideology.

### **Holy Boldness.**

God so loved me that He sent His only Son Jesus to die on a cross for me. When I follow in His image, suffering at the hands of another who would put me down, like Jesus I draw the other to the righteousness of God within me. Through surrendering to God, for example saying in prayer “Jesus I surrender to You, take care of everything,” I get my peace back every time. And through the power of the Holy Spirit, I witness many miracles first hand.

Holy boldness builds one’s faith. The more I witness to miracles as from God, the more Holy boldness comes upon me.

### **Faith works like this.**

You think you know God’s will for you. You act in faith. You surrender totally to God. Your ego diminishes. You discern the outcome. Nothing but good comes from God. Nothing but evil comes from Satan. Satan seeks to thrust through and divide God’s children. God is more powerful than Satan. God unites. And we have peace on earth.
